

Raymond James Stadium Event Dates

Any volunteer that works the stadium events must go through training at the stadium. The next trainings are scheduled for June 4 and June 5 from 12 - 3pm. More trainings will be offered in July and August. If you have not volunteered at the Stadium before you must go through training before you sign up to work. This is food handling and beer service training by the Stadium. Training takes place at the Stadium.

You can contact Nathalie Kobel to find out more information about working stadium events and signing up for training. Her contact info is: canadanat1@verizon.net and her number is 813 399 6476

Every time someone volunteers at the Stadium, the individual earns \$90 which goes directly into the account of the student the individual is working for. A single student can have multiple people working for them on the same day and earn hundreds of dollars in a single day. Volunteers must be at least 18 years old and be responsible. If a volunteer does not show up after signing up, our organization gets charged and that fee will come back to the student who the person signed up for.

June 14	Coldplay Concert
August 4	The Weeknd Concert
August 13	BUCS
Sept 3	USF
Sept 10	USF
